**“ MR. COLIN MACLEOD DELIVERED...  
... an amazing presentation** to our PK3  
through 5th grade students during our school's  
Global Fair Day. **He fills the room with energy  
and enthusiasm!** The students loved it when Mr.  
MacLeod got them on their feet to dance while play-  
ing his fiddle. The children also enjoyed the many  
stories and information he shared about Scotland  
and his travels. **Every child was completely  
engaged from the time that they walked  
into the room until the time that they left! “**

~ Pinewood Preparatory School, Summerville, SC
